Transformer NE Network Ready Backup Adapter

Product Features

Smart Backup

Totally automatic backup of all your Windows and Mac computers, with no software to set up or install

Smart Restore

Easiest totally automatic restore of all your computer files. Your backup is only as good as your restore.

Smart Migration

Moving to Windows 7 or migrating to a Mac? Effortless migration from Windows XP or Vista.

Smart Viewer

Organized viewer for all your backed up data, including easy sharing of photos via email or Facebook.

BackupLink Technology

Automatically links and backs up all the computers ensuring that you never need to manually back up all your computers ever again.

Music Manager

Share all the music and playlists on your iPod, iPad or iPhone by importing them to any computer.

CD/DVD Archiving

Easily create copies of your backed up files for sharing or safekeeping, even includes the photo viewer and restore/migration.

Multiple Windows and Mac

Just as easy to back up single or multiple computers, even if comprised of both Windows and Mac.
