Automatic Backup

## C6 Portable and Desktop Backup For PC

PORTABLE

DESKTOP

### Product Features

#### EASY Imaging/Total Computer Backup

Protects everything on your computer. Automatically backs up your entire computer (Image Backup).

#### EASY Run™

Patented Easy Run automatically backs up your photos and other personal files, software programs, and Windows® operating system – just plug it in.

#### EASY Organizer

Automatically finds and organizes all your photos and other personal files (500+ types) for backup.

#### EASY Music

Import music and playlists from iPod, iPad, iPhone.

#### EASY Viewer

View all backed up photos and personal files easily just like on the original computer.

#### EASY Restore

Your complete personal file backup can be restored or transferred to a new or existing computer with just two easy clicks.

#### Password Protection

Easily protect backed up personal files with 256-bit hardware encryption.

#### EASY FIX

Easily recover from computer crashes caused by viruses or software corruption – often within minutes!
